Prepare and pay for your parcel shipments online and save up to 40% on Canada Post shipping fees

Need to send a package with reliable, economical shipping? NeoShip offers on-demand access to Canada Post parcel delivery services and instant postage payment to ship across town, to the other side of the country or around the world. Simply access NeoShip through our suite of MYNEOPOST tools, follow the illustrated prompts, create the shipping label and pay for postage in 4 simple steps.

1 Choose a package type and weigh your item

2 Enter the shipping address

3 Choose the delivery date and service

4 Print the postage paid shipping label

Simplify your shipping and qualify to save up to 40% on your Canada shipping fees
Preparing shipments online provides you with access to Canada Post's Solutions for Small Business program.
It's free to join and offers up to 40% off Canada Post shipping services.

Eliminate invoice management and lower your business administration costs
Pay for postage before you ship using your Neopost Digital Postage On Call (DPOC) account.
Never receive, process, pay or archive invoices for postage again.

Control your deliveries and your shipping costs
Track shipments and manage postage transactions, generate reports and print receipts online, anytime.

Ensure your "ship to" addresses are always up to date
NeoShip will automatically verify that your destination address is up to date. Our address verification service is included at no additional cost.

Eliminate manual entry of addresses
Import up to 10,000 addresses to the Public Address Book and up to 1,000 addresses to the Private Address Book.

Automatic service, price and surcharge updates
NeoShip tracks of all Canada Post parcel service and price changes and then displays them in real time, allowing you to make informed decisions for every package you ship.
